## Tournament Changes

To help kick off the upcoming USTA Combo season, **we have changed June's tournament format to Combo Doubles.** The **Adult/Youth** tournament is **postponed until October** when summer vacation is over and we have a better projected youth participation.

Unlike our "normal" tournaments, the Combo Doubles Tourney *will* allow entries in more than one division for you Road Warriors out there who just can't seem to get enough tennis. However, a player who enters two divisions must be prepared to possibly play up to four doubles matches in a day. We'll try to make the schedule sensible for multi-division players, but it can't be guaranteed. Players or pairs who want to play in more than one division will have to register separately for each division of play, i.e., you crazy Road Warriors will have to enter twice. In addition to the Division Combo Champions, the Tourney Director(s) will also judge and make special Road Warrior awards to the maniac(s) who manage to get in the most amount of play.

# May Tournament Wrap Up

Last month, MVTC tried a one day format for the women's doubles in hopes this might increase the number of women participants. This change did not garner more women players, but did generate a few comments regarding the reduction in matches. If you have any ideas on how MVTC might increase female participation, please send in your suggestions.

*(Tourn. Changes cont. from pg. 1)*

We are actively seeking volunteers to act as Tournament Directors (a man and woman would be nice for this one) as well as someone or a group to coordinate the food. If we don't get a volunteer to coordinate the food this month, we'll limit food service to drinks and light snacks only. We will resume serving lunch when we have food directors for the tournaments, so volunteer soon and often!

## Umbrella Tennis

**Fridays 6-8pm: Join us for *Umbrella Tennis*** on courts 5 and 6 at Cuesta Tennis Center every Friday from April until the end of September. This time is open to all MVTC members for drop-in casual doubles play. MVTC covers the court charge, so it's free for you! Please note that any CTC or USTA matches scheduled on these courts will take priority. The rules are simple: first-come, first-served. At least one court is mixed doubles. Each foursome plays one no-ad set, then everyone moves around, giving preference to those who have been sitting out.

1. First-come, first served
2. Each group plays one no-ad set, then rotates in those waiting, or switches with players on the other court.
3. Depending on who arrives, at least one of the courts should be mixed doubles
4. Courts are not be used for ladder matches or team practices
5. Emphasis is on friendly, social play to help members meet each other
